**CIOR LANGUAGE ACADEMY 2016**  
***July 18-29, 2016 at the Police and Border Guard College, Muraste, ESTONIA***

Dear Distinguished Officers,

For the past fifteen years CIOR has conducted its annual Language Academy for reservists. This tradition will continue in 2016 with the CIOR Language Academy (CLA 2016) being held in Muraste, Estonia from July 18 to 29.

Up to 100 students from NATO, Mediterranean Dialogue (MD) and Partnership for Peace (PfP) nations will be immersed into an intensive two-week program to learn basic and intermediate skills in one of NATO's two official languages.

The CIOR Language Academy enables NATO, Mediterranean Dialogue and Partnership for Peace nations to expand their pool of available personnel for international operations, as language is the most fundamental factor in achieving an operationally effective officer in a multinational environment.

STANAG 6001 testing will be provided up to SLP level 3333 for the English language. French language exams up to level 3333 are conducted as authorized by the French "Direction des ressources humaines de l'armée de Terre" (DRHAT).
